RFQ No. EC-PW-24-08 – Addendum # 1 Arboricultural Services

Purpose

The Township has prepared this addendum in response to comments and feedback received at the site meeting held on July 5, 2024

Item# 1: Stump Grinding

A separate line item related to stump grinding as been included in Area # 1 and #2 on the form of quotation. Stumps are to be ground below grade a minimum of 150mm (6 inches) and covered with topsoil to ground level.

Please note that trees numbered 1 through 10 in Area # 1 do not require stump grinding.

Item # 2: Private use of wood

If the successful bidder and a private landowner make an agreement for the use of the wood, any wood stockpile must be clearly placed on the private lands and not remain within the municipal right-of-way.

Item #3: Updated Form of Quotation

The updated form of quotation is included on the next page.
